SET 6: Assessment

The education provider has made changes to the programme that affects the above standards. The education provider is to introduce a change in the interview process. Also there are changes to the assessment of modules and changes to the practice placement in the final year of the programme.

The following documents were provided as part of the submission:

- Major change notification form (completed by the HCPC executive)
- Context pack
- Major change SETs mapping document (completed by education provider)
- Programme specification
- Standards of proficiency mapping
- Clinical portfolio
- Evidence booklet
- Curriculum document

Section three: Additional documentation

- ☒ The visitors agreed that no further documentation was required in order to make a recommendation.
- ☐ The visitors agreed that additional documentation was required in order to make a recommendation. The standards of education and training (SETs), for which additional documentation was requested, are listed below with reasons for the request.

Section four: Recommendation of the visitors

To recommend a programme for ongoing approval, the visitors must be assured that the programme meets all of the standards of education and training (SETs) and that those who complete the programme have demonstrated an ability to meet our standards of proficiency (SOPs) for their part of the Register.

The visitors agreed to recommend to the Education and Training Committee that:

- ☒ There is sufficient evidence to show the programme continues to meet the standards of education and training and that those who complete the programme will continue to demonstrate an ability to meet the standards of proficiency.
- ☐ There is insufficient evidence to determine if or how the programme continues to meet the standards of education and training listed. Therefore, a visit is recommended to gather more evidence and if required place conditions on ongoing approval of the programme.

Date of ETC final decision: 19 November 2015
